**BELL 429**

# DESIGNER SERIES

## Designer Schemes

### Bespoke Leather

Bell's highest tier leather covering our classically tailored seats, consoles, door and accent panels, seat skirts and headliner.

Arctic Grey & Charcoal

Sand & Jet Black

Crimson & Jet Black

Snow & Jet Black

Jet Black & Charcoal

### Enhanced Flooring

Hardwood flooring and improved upholstery can complete a luxurious yet resistant interior suitable for the discerning corporate or private traveler. Combining style and ruggedness to enhance appearance and resist stains, scuffs, and damage.

COCKPIT

Hex Aeromat

CABIN

Simulated Hardwood

Carpet

### Upgraded Trim

Satin plate finishes and leather accents complement refreshed color schemes tying in every detail of the cabin - from door handles to light fixtures.

### Designer Curated

This interior is a showcase of our most popular customizations, redesigned into five cohesive themes. A new center console and aft bulkhead storage, quality leathers in aesthetic color combinations, and luxe floor options make this our favorite interior treatment yet.
