

CITATION LATITUDE

TEXTRON AVIATION

COMFORT AND EFFICIENCY PERFECTED

Start with proven Citation® aircraft systems. Add intelligent innovation, class-leading performance, a spacious cabin and standard equipment that steps above midsize expectations. All of this at a price for performance other jets cannot match. Feel it as soon as you step into the wide, stand-up cabin — the Cessna® Citation Latitude® aircraft is a different kind of business jet.

Four-Passenger Range
2,700 nm

Maximum Cruise Speed
446 ktas

Maximum Passengers
9

Direct Operating Cost
\$4.48/nm*

*1,000 nm mission, \$4.20/gal fuel, \$120/hr labor

STRETCH YOUR LEGS, NOT YOUR BUDGET

Los Angeles to New York City
5 hrs

Total Trip Cost*
\$8,400

Hong Kong to Beijing
2 hrs 45 min

\$
Total Trip Cost*
\$4,700

London to Berlin
1 hr 15 min

\$
Total Trip Cost*
\$2,300

*Data based on NBAA IFR Reserves (200 nm), four passengers, HSC, ISA en route, 85 percent winds.

UNPARALLELED PERFORMANCE

TOUCH-SCREEN AVIONICS

NextGen-capable Garmin™ G5000™ avionics streamline the pilot experience with advanced autothrottles and touch-screen simplicity.

SPACIOUS CABIN

Large windows, 30 inches of legroom, a flat floor and a 6-foot-high cabin provide unrivaled comfort.

LOW CABIN ALTITUDE

With a low cabin altitude of 5,950 feet, the Latitude keeps you feeling refreshed during flight.

LARGE LAVATORY

The Latitude's lavatory is exceptionally spacious — 60 percent larger than its closest competitor.

FUEL-EFFICIENT ENGINES

Pratt & Whitney Canada engines deliver low-cost maintenance, high reliability and fuel efficiency for low operating costs.

POWERFUL ELECTRICAL SYSTEM

Triple-redundant power generation is the foundation for the Latitude's robust electrical system.

ELECTRIC DOOR

Enter and exit the Latitude through an electrically operated large airstair door.

CUTTING-EDGE DIAGNOSTICS

LinxUs® real-time diagnostic recording and reporting enhances maintenance efficiency.

CLEAN-WING DESIGN

Latitude's clean-wing design gets you off the runway fast with a 3,580-foot takeoff field length.

CLASS-LEADING BAGGAGE COMPARTMENT

The external baggage compartment features a class-leading threshold, integrated steps and a capacity of up to 1,000 pounds and 100 cubic feet.

CITATION LATITUDE SPECIFICATIONS

INTERIOR

Cabin Height	72 in	1.83 m
Cabin Width	77 in	1.96 m
Cabin Length	21 ft 9 in	6.63 m
Baggage Capacity		
• Weight	1,245 lb	565 kg
• Volume	127 cu ft	3.60 cu m

WEIGHTS

Max Takeoff Weight	30,800 lb	13,971 kg
Basic Operating Weight	18,656 lb	8,462 kg
Useful Load	12,394 lb	5,622 kg

MAXIMUM PASSENGERS

9

POWERPLANT

Manufacturer	Pratt & Whitney Canada	
Model	(2) PW306D1	
Thrust	5,907 lb	26.28 kN

PERFORMANCE

Takeoff Field Length (MTOW)	3,580 ft	1,091 m
Range (4 passengers)	2,700 nm	5,000 km
Max Cruise Speed	446 ktas	826 km/h

Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard surface, dry runway. Range is based on four passengers at HSC with NBAA IFR reserves.

MAKE YOUR FLIGHT PRODUCTIVE AND ARRIVE RESTED

Enjoy a wide, stand-up, flat-floor interior and experience a comfortable cabin altitude of 5,950 feet while cruising at 45,000 feet. The Citation Latitude merges beauty, comfort, range and power to create pleasurable, productive business travel that transcends the midsize category.

EXPERIENCE A NEW WAY TO TRAVEL

CUSTOMIZE YOUR CABIN EXPERIENCE

Stay connected and be productive with the state-of-the-art cabin management system and internet*. Wireless cabin management comes standard and allows access to digital media, individual interactive moving maps and satellite* radio, giving passengers complete control from their personal mobile devices.

*Subscription required

SMART, INTUITIVE AND COMFORTABLE

Pilots will enjoy easy access to the Citation line’s largest cockpit. Their window to the world is the Garmin G5000 avionics with four full-color touch-screen displays and primary flight displays (PFD) featuring the Garmin SVT™ synthetic vision system. The Citation Latitude flight deck features fully integrated autothrottles and the LinxUs on-board diagnostic system, setting a new standard in efficient operation. Pilots type-rated for the Citation Sovereign®+ aircraft are already type-rated for the Citation Latitude.

Autothrottles

Satellite Phone

GARMIN G5000: THE HEART OF A REVOLUTIONARY SYSTEM

- Fully integrated autothrottles
- Garmin Synthetic Vision Technology
- Touch-screen control panels
- Real-time maintenance reporting with LinxUs Air
- Transponders with ADS-B Out capability
- Flight data recorder (ICAO Type IA)

TAKE COMMAND OF YOUR TRAINING

Get ready to train with the best. TRU Simulation + Training delivers an immersive experience for Citation Latitude pilots. Step inside state-of-the-art simulators, and take advantage of online resources to keep your skills sharp all year long.

TRU SIMULATION + TRAINING

- The most true-to-life simulators in the industry with record, playback and demo capabilities that make learning easy and enjoyable.
- Fifty percent more training time in Level-D full-flight simulators and FTDs.
- One-on-one guidance from active, high-time pilot instructors with recent operational experience.
- FAA-approved online courses.
- Freedom to attend ground school from home and spend fewer days training on-site.

CONVENIENT, YEAR-ROUND CURRENCY

Study on your own time, at your own pace. With TRU’s Current 365™ program, you can maintain currency throughout the year, get courseware sent right to your email, and train when and where you want.

Be the best pilot you can be. Get started at [TRUSimulation.com](https://www.trusimulation.com).

SERVICE ANYTIME, ANYWHERE

With you as our focus, we are fully committed to servicing your Citation Latitude. You can count on Textron Aviation to be by your side with superior parts availability, competitive pricing and a robust distribution system. The support you receive is always factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK

- Textron Aviation has the farthest-reaching network of company-owned service centers.
- AOG support is just 1CALL away. Dial a single number for diagnostic expertise, mobile service units and airborne response to remote locations.
- Our parts inventory is 19 million strong, covering your aircraft from nose to tail.
- We ship 99.6 percent of parts in stock the same day you order them.

-  Textron Aviation Service Center
-  Mobile Service Unit (MSU)
-  Maintenance Line Station
-  Parts Distribution Center

THE WORLD'S LEADER IN AVIATION

We advance the market by leveraging the latest technology in our Beechcraft®, Cessna and Hawker® aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. In the last five years, more than 10 new Textron Aviation products have been certified and delivered. We continue to lead the market with the widest-ranging offerings available to customers.

Our portfolio features Citation aircraft, the world's best-selling business jets; King Air® and Caravan® aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
