THE NEXT KING RISES

KING AIR 360

BEECHCRAFT KING AIR 360

The BEECHCRAFT KING AIR 360 turboprop represents the latest upgrade to one of the sky's most iconic aircraft. Enjoy the same great reliability that's come to define the *King Air* turboprop family, and the same support by the farthest reaching and most accessible service network.

REDUCED PILOT WORKLOAD & UPDATED FLIGHT DECK

Intuitive flight control using COLLINS AEROSPACE PRO LINE FUSION avionics, new IS&S THRUSTSENSE Autothrottle, plus upgraded digital pressurization system and improved maintenance troubleshooting with an updated Onboard Maintenance System (OMS).

STRESS-FREE FLIGHT

Cabin improvements bring increased comfort and elegance to the *Beechcraft King Air 360* aircraft. Most notable is a lower cabin altitude, resulting in a more comfortable flight for passengers.

MORE OPTIONS

Enhance your *Beechcraft King Air 360* turboprop with optional Wi-Fi and luxurious cabin options like the Lava Saddle or King Ranch premium interiors.
